

# Floor Time!

Smoothing the floor

We thank the Lord for His faithfulness in making it possible to finish and backfill the foundation for the new main house at Refuge Ranch...a home that will provide the space for our children to continue to grow and to welcome those that we trust the Lord has yet to bring our way!

NOW...it's time to pour the floor!

\*One blessing in the new main house is a real dining room! Our current eating facilities consist of the crusade medical supply warehouse, which requires walking through the rain on cloudy days! We can't wait to get to meals dry!

You can make that...and much more....possible through your donation of any amount....just \$.80 pays for one square foot of floor!

The filled foundation...ready for cement!

**Cost to pour the entire first floor: \$7000.00**

Send your tax deductible donation to:

**Fishers of Men  
P.O. Box 940  
Shelbyville, IN 46176**
