JUST A MINUTE...

A Fishers of Men Ministries Newsletter

One Bill can make a Big difference!

If each individual who receives this newsletter would pray as to whether the Lord would lead him or her to give an additional \$50 donation to Fishers of Men, we would be able to get back on target with our 2015 budget and ministry expenses. Thank you for prayerfully considering this opportunity! Remember, you can give through PayPal on line at:

or by sending a check to:

"To sit at the end of the day and see all that happened during those hours ...You (Lord) planned it all...the life of each team member, the resources, the willing hearts, just to save even one. " - Lupita Hernandez, volunteer massage therapist reflecting on this week's crusade

EMMC—GUERRERO

The volunteer Evangelistic Medical Mission Crusade team has been ministering in two villages in the mountains of Guerrero this week. May the Lord bring much fruit from the seeds of His word planted through loving, free medical service and personal evangelism.

Tuesday of this week, September 8, 2015, marked the second anniversary of the passing of our son, Danny, into Jesus' presence! While we spent most of the day in our normal activities, our hearts were never far from his, nor our thoughts far from the memories. We then spent some time that afternoon decorating his tomb at the cemetery.
