Evangelistic Medical Mission Crusades (EMMC's)

Fishers of Men Ministries began this year's crusade calendar with a one day local crusade held at the church that our family, and several crusade volunteers, attend, Peace Christian Church. This fact, besides being the inaugural crusade of the year, made it an important and special day. The Lord gave us the opportunity to provide 213 attentions and 22 individuals prayed to accept Jesus as their Lord and Savior!

Refuge Ranch

What an exciting month here at Refuge Ranch! The year started out in one of our favorite ways, hosting a work team from Blooming Glenn Mennonite Church in Pennsylvania! Between the hard workers

and Dave's earth moving machinery, this team always accomplishes more in one week that we could in 6 months! The main house began the week looking like the picture above and ended the week with the entire first floor poured using only two hand-fed, gas-powered cement mixers! We thank the Lord for the relationships built and strengthened, as well as the poured floor! To God be the glory!

We then ended the month by celebrating the 15th birthday of our beautiful daughter Joseline!
