## First Crusade of the Year

What an honor to carry out the first Evangelistic Medical Mission Crusade of the year at the church that we call home here in Mexico. A one day, local crusade held on Saturday, January 27, resulted in 213 attentions given and 37 individuals praying to receive Jesus as their Lord and Savior!

## We Love Work Teams!

This was the tenth anniversary of starting out the year in our favorite way...with a work team from Christopher Dock Mennonite High School and Blooming Glenn Mennonite Church in Pennsylvania! Team members included Fishers of Men Board Member Jen Yoder and my eldest daughter, Angie, who is in her

senior year at Dock. The team emptied and tore down our former chicken coop-shed-eyesore and stored wood and tools in the new shed, poured lots of little columns that tie the walls of the main house to the

larger columns and started plastering walls. Their help and love and encouragement is beyond measure!
