

JUST A MINUTE

A Fishers of Men Ministries Newsletter

Thank you!

Thank you so much to each of you who responded to the financial needs that we shared in our last "Just a Minute" newsletter. Your generosity certainly alleviated a dire situation for the ministry during those moments! We continue below budget, so thank you for remaining sensitive to the Lord's leading for your giving as we seek to finish out the year on target!

Here's a new challenge!

Pass on this newsletter (share it on Facebook...forward the email...print it up and pass it out) to others who you believe may share our passion for the Gospel, evangelism, children, adoption, medical missions, social ministry...our passion for Jesus! Maybe they would be as blessed as you have been by becoming a part of Fishers of Men!

Crusade to Chihuahua

The Evangelistic Medical Mission Crusade volunteer team finished 2015 with our largest and longest crusade of the year to the state of Chihuahua!

Christlike Ministries, Pastor Joel and Amber Cera and Frank and Liz Guenther, Canadian directors of the ministry, welcomed the team to Ciudad Juarez for the first portion of the 10 day crusade.

The team then spent the remaining days in a Mennonite community further into the state of Chihuahua. Despite their spiritual heritage, the Mennonite community in Mexico, generally speaking, lives in spiritual darkness, rather than in the light, love and reality of Jesus Christ! So, the medical crusades provided the perfect opportunity to shine brightly and pass the light along!

**10 days of
crusade**

**1,737
consultations**

**268 decision
for Christ**

Construction Update

We are so excited that we are only days away from pouring one third of the foundation of the new main house at Refuge Ranch...expanding our home from 7 bedrooms to 21...and, therefore, expanding the ministry and Christ's Kingdom! The Lord, in His faithfulness and through your generosity, has provided for this first cement pour, but we need another \$12,325 to finish off the foundation in December in order to be ready for our first work team of 2016 on January 2!
