

JUST A MINUTE

**A FISHERS OF MEN MINISTRIES NEWSLETTER
SUMMER 2019**

Welcome to Life with Fishers of Men

Carrying out the two aspects of Fishers of Men (Evangelistic Medical Mission Crusades and an adoptive home at Refuge Ranch) involves a variety of daily tasks. From home-schooling to sorting medicine, from violin lessons and gymnastics to folding Evangelistic fliers and washing the crusade vehicles, each of these little actions join together to build the Lord's kingdom here in Mexico.
Julie Claassen, Director

Music to the Ears

I'm passionate about helping each of my children develop their God given talents and abilities. For some of my kids, that includes musical development! I have the privilege of giving violin classes to four of my own children on a weekly basis, along with four students from a local Bible college.

Evangelistic Medical Mission Crusades

Each month's Crusade is unique. For example, from May 20-27, the Lord blessed our EMMC volunteers with the opportunity to serve Him in two unusual crusade locations. The first four days of the crusade were spent in the state of Michoacan. This rural location full of small towns required the team to set up and tear down EACH DAY in order to best minister to the local communities. The second half of the crusade was spent ministering on an island in the middle of a fresh water lake! This required taking our equipment over on a boat and then climbing many stairs to get to the church. Despite the challenges, the team was able to provide 1368 free services and 138 individuals accepted Christ! All glory to God!

Partner with Us!

Not everyone is called to live in Mexico, but you can partner with Fishers of Men through your prayers and donations. All of our support comes from churches and individuals like you. From \$3.50 for one home-school workbook, to \$13,175 to complete our fund-raising goal for a Crusade truck, we depend on and appreciate your gift of any size! We look forward to hearing from you!
