Evangelistic Medical Mission Crusades

The EMMC (Evangelistic Medical Mission Crusade) team of volunteers has carried out 9 crusades so far this year, with 5 more to go. Most crusades last 6 days, with hundreds of people receiving free services in medical, dental, massage therapy, optometry, children's ministry, and haircuts each day. Each person hears the Gospel of Jesus Christ and has an opportunity to receive the gift of salvation. A local pastor follows up with each person who prays to accept Christ as their Savior. Your support of Fishers of Men is helping to make and grow disciples of Jesus throughout the country of Mexico!

Angie Goes to Pennsylvania

Family and friends gathered at the Mexico City airport in August to say good-bye to Angie as she embarked on her first trip to the United States. She is living in Pennsylvania with a family from a supporting church that has sent many mission teams to Refuge Ranch and plans to attend school there for a year. Please remember Angie in your prayers during this exciting, challenging adventure!

Martha Graduates

After two years of diligent study and hard work, our daughter, Martha, graduated from massage therapy school. Congratulations, Martha!

Volunteer Teachers Needed

We are sad to bid farewell to our faithful, loving teacher, Mireya after six years of teaching in our school at Refuge Ranch. She is moving to Mexico City where her husband and sons all work and study, so Julie resumes leadership of the school. We definitely could use some help! Please prayerfully consider if the Lord is calling you to serve as a teacher here at Refuge Ranch, for a few months or a few years!

Same Age Day

August 11 is one of our family's unique holidays - "Same Age Day" - in which my three "little" girls are all the same age for ONE day! Ana turned 11 on August 10, Carolina turned 12 on August 12 and Ruth is 11 until

November...so...for one day...just for one day...all three girls were 11! Every year the girls and I do something special to celebrate "Same Age Day."
