

Fishers of Men Newsletter

August 2025

Julie Classen, Director

Life at Refuge Ranch

The Apostle Paul expressed the following in his letter to the church of Thessalonica: "How can we thank God enough for you in return for all the joy we have in the presence of our God because of you?" (1 Thessalonians 3:9)

I couldn't have said it better regarding those who have come to serve the Lord here in Mexico through Fishers of Men!

This year we have been blessed by numerous visitors that have graced us with their love, partnership, hard work and friendship. Julie Robie, the mission coordinator for the National Association of Congregational Christian Churches, her husband, Jeff, and family friend, Sarah, served both at the Ranch and on a one-day local Evangelistic Medical Mission Caravan. An exceptional team from Whiteford Wesleyan Church replaced the porch roof on our home in preparation for the rainy season...

and played lots of soccer! What a special joy we experienced with the visit of my Uncle Ed, cousin Heather and her daughters who helped organize several storage areas and waterproof window frames, as well as spending time together as family. Haley, a godly young woman from Michigan, served at Refuge Ranch for a month helping in our homeschool and spending lots of time with the kids. Lena, a Christlike young woman from New York, joined our staff in May for the entire summer and provides

invaluable help in homeschool and with daily life.

Now all we need is YOU! Come to Mexico...for a week, a month, a season or more and use your God-given giftings, talents, abilities, energy, personality and resources to build and strengthen His Kingdom! You, and we, will never be the same...and God will be glorified!

Evangelistic Medical Mission Caravans Update

We praise the Lord for the seven Evangelistic Medical Mission

Caravans that Fishers of Men has

carried out so far this year. As we prepare this newsletter, our longest and most challenging caravan for this year, August 11-19, is underway. God poured down His blessing upon our most recent caravan to the state of Morelos where, in only three days of ministry, we were able to provide 578 free services and 174 individuals prayed to accept Jesus as their Lord and Savior!

We continue on, by God's grace and mercy, following in Jesus' footsteps...who "went through all the towns and villages, teaching in their synagogues, proclaiming the good news of the kingdom and healing every disease and sickness" (Matthew 9:35).
